Re: Congratulations

Dear Matt:

On behalf of the Fredericton Chamber of Commerce board of directors and our 1000 members, we want to congratulate you on your new position as senior advisor to Finance Minister Bill Morneau. Your time as a Member of Parliament and previous work within the New Brunswick provincial government will be a great asset to the department.

We are so pleased that you have chosen to remain in public service as we had the opportunity to witness first-hand what a genuinely caring and energetic public servant you are. It is of benefit to all Canadians that you have taken on this advisory role with Minister Morneau. No doubt you will approach this new role with your trademark passion and engaging nature.

As we're sure you are aware, the activities of the Department of Finance are important to us, our members and businesses from coast-to-coast. We believe that you have a good feel for what's important to small- and medium-sized businesses after your term in office, and of course, we would be pleased to provide the local business perspective to you and your department anytime.

Again, congratulations and good luck with your new role!

Sincerely,
